

Amend Env-Ws 1120.02, eff. 9-2-00 (doc # 7319), by inserting the following new paragraph and renumbering all existing paragraphs:

Env-Ws 1120.02 Definitions.

(k) For purposes of RSA 485-A:25-b through RSA 485-A:25-f, "Physician" means "physician" as defined by RSA 485-A:25-b, V, and RSA 485-A:25-f, V, namely "any physician or health practitioner with the authority to write prescriptions."

Amend Env-Ws 1120.10(b)(7) eff. 9-2-00 (doc #7319), to read as follows:

Env-Ws 1120.10 Swimming Pools and Beaches.

(7) All water activities shall be permitted only under the supervision of an American Red Cross certified lifeguard or another individual certified in an equivalent national recognized course having standards no less stringent than the life guard course offered by the American Red Cross;

Amend the introductory language of Env-Ws 1120.19(e) eff. 9-2-00 (doc #7319), to read as follows:

Env-Ws 1120.19 Required Health Staffing.

(e) In a residence or day camp that is operated for campers who are physically or mentally disabled, and in a residence or day camp where the total number of campers and staff is at any time greater than 75, there shall be employed, and in residence in the camp at all times the camp is operating, at least one of the following:

Amend Env-Ws 1120.20(d) eff. 9-1-00 (doc #7319), to read as follows:

Env-Ws 1120.20 Other Health Requirements.

(d) Excluding epinephrine auto-injectors or asthma inhalers possessed pursuant to RSA 485-A:25-b through RSA 485:25-g, all medications or prescription drugs, including refrigerated items, shall be kept in a locked container.

Adopt Env-Ws 1120.24 to read as follows:

Env-Ws 1120.24 Possession and Use of Epinephrine Auto-Injectors and Asthma Inhalers at Recreation Camps.

(a) Availability, use, and possession of epinephrine auto-injector and asthma inhalers shall be as specified in RSA 485-A:25-b through RSA 485-A:25-g, as contained in Appendix I.
